

Nature Vision Board of Directors Application

Nature Vision (NV) is a 501c3 environmental education nonprofit organization founded in 2003. Our mission is to foster appreciation and stewardship of our environment by educating and connecting our community to the world around us. We envision an inspired and connected culture where everyone makes choices for a sustainable future. Nature Vision serves over 70,000 PreK-12th grade students annually. For more information, please visit our Board Page at <https://naturevision.org/board>.

Nature Vision is guided by a Board of Directors that contributes talent, resources, time, and passion for our mission. All share a passion for the mission of Nature Vision. We are interested in individuals that would like to join in our efforts for a three year term to continue to build and improve our effective and sustainable organization.

We are currently seeking additional board members with specific expertise in finance and accounting, law and policy, fundraising, social justice, and cultural competency.

As an organization, we continue to learn and implement changes to help better serve our communities of color, practice inclusivity, and combat racial bias and inequity. We highly encourage persons of color, members of marginalized communities, women, non-binary, and LGBTQIA+ individuals to apply.

Upon receipt of this application, your responses will be reviewed by the Nature Vision Board and Executive Director. You will be contacted within two weeks to set up a time to discuss your interest and qualifications. The Nature Vision Board will vote on your application in the following quarterly Board meeting.

For more information, please see our [website](#). Email Board President Julie Nelson at nvboard@naturevision.org and Executive Director Ginny Sanchez Ballard at gsanchez@naturevision.org with questions.

Thank you for your interest in the Nature Vision Board of Directors!
